

NOTICE TO USERS

Prime Minister's Decree of 3/11/2020 effective from 5/11/2020

Measures for the containment and management of the epidemiological emergency from Coronavirus

In order to ensure social distance, the new decree of the Prime Minister of 3.11.2020 provides for a 50% reduction in the number of seats available on the train.

All unavailable seats will be marked with the no seat symbol, either on the red seat cover or on a sign.

THEREFORE PASSENGERS WILL BE ADMITTED ON BOARD UNTIL THE MAXIMUM CAPACITY IS REACHED.
STANDING PASSENGERS ARE NOT ALLOWED.

It is mandatory **to allow passengers to disembark** at least one meter **apart before boarding the train.**

The obligation is also reaffirmed that anyone with access to public transport must **maintain a safe distance between passengers (at least one metre) and wear a mask or, in any case, protection covering the nose and mouth.**

It is also informed that trains will be subject to daily sanitation, while the sanitary facilities will be operated in accordance with the rules in force.

Hydro-alcoholic disinfectant solutions are available for customers on the train at the entrance and in the toilets.

MANY THANKS FOR YOUR COOPERATION
